**TALAH ADULT
DAY SERVICES**

A Place to...

- *Enjoy the company of others!*
- *Participate in activities!*
- *Spend just a day or a week!*

TALAHI ADULT DAY SERVICES

BACKGROUND OF TALAHI CARE CENTER

Since serving our first senior in 1963 as a small nursing home, and throughout our major renovations and opening of Assisted Living and Adult Day Services in 1999, the Talahi Senior Campus has grown into a modern-day continuum of care facility. Additional services and programs include a Specialized Care Unit, Rehabilitation Services with a full-range of therapies, Nature's Point Assisted Living, Assisted Living Home Health Care Services and Kangaroo's Pocket Child Care Center.

ADULT DAY SERVICES MISSION STATEMENT

Talahi Adult Day Services assists adults to remain in the community by maintaining their optimal level of physical, cognitive and social functioning. Respite care is also provided to caregivers to allow for their own well-being and continuation of community involvement.

PHILOSOPHY

We believe that in a safe environment where people are understood and accepted, they can allow themselves to relax, feel useful and enjoy the company of others.

DAY SERVICES

Providing a place to enjoy the company of others while participating in a day of activities.

Staff provides a variety of daily activities. Programming includes exercises to stimulate minds and memories, programs to maintain physical health and flexibility and activities to promote creativity and support on-going social and emotional skills. Individuals have a wide range of skills and abilities and each is allowed to participate at their own level.

So, if you are looking for a place to spend your days during the week or perhaps an occasional break in the day - Welcome to Talahi Adult Day Services!
