

Talahi Tree of Life

The Talahi Tree of Life was established in 2005 resulting from the request of many family members to have a place on the Talahi Senior Campus to remember present and past residents, recognize dedicated employees and volunteers, and as a way to raise funds to support the many activities and special amenities not normally provided for in funding rates established by the state and federal government.

The Talahi Senior Foundation sponsors the Tree of Life as one special way to attract enough funds to support their mission. Consequently, the Tree of Life needs your help to grow many leaves on The Talahi Tree of Life.

The Talahi Tree of Life is located in our new indoor park in the Talahi Care Center and each new leaf will help our Talahi Senior Foundation raise its annual fund raising goals

The Talahi Senior Foundation is a non profit organization, established to assist the residents and clients of the Talahi Campus.

IN APPRECIATION TO THE
