

## *Talahi Senior Foundation is hosting a Courtyard Promenade!*

On Friday, October 2, 2009, the Talahi Senior Foundation will be hosting a night of dinner and dancing at the Coyote Moon Grill. The night will begin with cocktails and a silent auction with entertainment by Don Matson.

The funds raised from last year's Promenade helped with the construction of the retaining walls for the courtyard. This year's fundraising event will greatly assist in the goal to finish this area with a large concrete pad for bands, chairs, sun umbrellas, and an outdoor sound system. This gathering space will be used by the residents and tenants of the campus to entertain family and friends to help maintain traditions and create new memories.

With the support from the community, family and friends, Talahi Senior Foundation will be able to continue it's mission which is "improving the lives of seniors and handicapped individuals within and around our surrounding community.

Tickets will be on sale in August and are \$50.00 per person and can be purchased at the Campus. Please plan to attend this very special event and help beautify the Campus.

If you are unable to attend this event, the foundation is also selling Admiration Bricks to celebrate the life of someone special. An Admiration brick allows lasting memories to be etched in stone for future generations to see. A goal of the Talahi Senior Foundation is to landscape the Courtyard with a walkway that includes memory bricks from people, like you, who would like to preserve lasting memories of someone. Dedicating an Admiration Brick in honor of someone allows their legacy to live on into the future.
