

# Talahi AdmirationBricks

A memory brick allows lasting memories to be etched in stone for future generations to see. A goal of the Talahi Senior Foundation is to landscape the Courtyard with a walkway that includes memory bricks from people, like you, who would like to preserve lasting memories of someone. Dedicating a memory brick in honor of someone allows their legacy to live on into the future.

The size of these bricks are 10 x 18 and the cost is \$250. Your message could be "In memory of" or "In honor of" or your own personal message can be added up to 15 characters on each of the three lines.

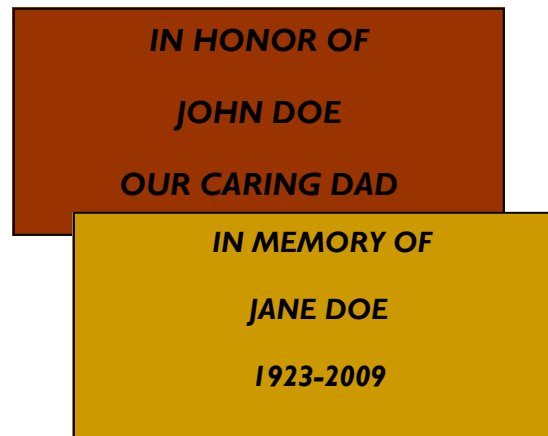

Proceeds from the memory bricks will go to beautifying the Courtyard with trees, flowers, and landscaping.

If you prefer, you may keep your memory brick for your own personal landscaping

The Talahi Senior Foundation is a non profit organization, whose mission is to improve the lives of seniors and handicapped in this Community.
